EMPIRE
INDUSTRIES INC.

INSTALLATION INSTRUCTIONS:
EVEREST STAINLESS STEEL KITCHEN SINKS

1. Remove sink from carton and inspect carefully. Make sure you have template and clips supplied with sink.

2. Line up sink over properly cut opening in countertop and drill holes for fasteners to secure clips. Loosely attach mounting brackets to the countertop.

3. Evenly apply a continuous bead of silicone caulk on top of the flange.

4. Position and line up sink over the countertop opening. Position clips into place and tighten the screws.

5. Wipe away excess caulk with a damp cloth.
